LETTER RE: PTA CALCULATION

SIR:

A review of the calculated Patent Term Adjustment (PTA) for the above referenced application listed in the USPTO PALM database reveals that the actual value is believed to be less than the listed value. More specifically, a missing parts notice mailed on November 15, 2000 was replied to on March 6, 2001, thereby incurring a 17 day reduction of the PTA which is not reflected in the USPTO calculation.

This letter is submitted under the obligation of good faith and candor based on instructions under Comment 43 in the final Rule: Changes to Implement Patent Term Adjustment Under Twenty Year Patent Term (65 FR 56366).

It is believed that no fees or charges are required at this time in connection with the present application. However, if any fees or charges are required at this time, they may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,  
COHEN, PONTANI, LIEBERMAN & PAVANE
